

***Give someone with vision loss  
the chance for independence!***

## **Dear Performing Arts Colleague!**

*Lighthouse Central Florida (LCF) is proud to announce this year's gala fundraiser, **Puttin' on the Ritz**, on October 6, 2007 at The Ritz-Carlton Grande Lakes Orlando.*

We are honored this year to pay tribute to **Donald T. Senterfitt**, a true visionary, for his many years of service and impact on Central Florida. Mr. Senterfitt served ten years on the board of directors after his sister, Tilly, experienced devastating vision loss and came to LCF to regain her independence. His impact on Central Florida has been far reaching, and we know the community will embrace the opportunity to acknowledge him.

*Puttin' on the Ritz* will attract six hundred high level guests. Supporters for LCF include many movers and shakers in Central Florida, as vision loss touches many lives from all walks of life.

With *The Ritz-Carlton Grande Lakes* as host, *Puttin' on the Ritz* will be a quality affair. Tables of ten are \$2,500 and patron tables can be purchased for \$5,000 and \$10,000. We are proud to have Darden Restaurants as our Event Sponsor.

Our theme is the glamorous and colorful Art Deco era of the late twenties and early thirties, exemplified by the classic song *Puttin' on the Ritz*.

*We would be honored to have you donate an item for our auction.*

Please fill out the donor form, and let us know how we can arrange to pick-up the item. Net proceeds from *Puttin' on the Ritz* will go directly to fund programs for children and adults with vision loss.

Thank you for helping to continue our mission of promoting the independence of adults and children with blindness and low vision through technology, education, support, and advocacy. *It is your generosity that makes our services possible.*

**Sincerely,**

**Timothy D. Turner**

LCF Auction Committee Volunteer
